The personal information gathered hereon is for billing and communication purposes only. However, this information may be shared with other utility providers or as mandated by law. This information will never be sold.

All delinquent sewer billings will be turned over to property taxes as a lien. Any delinquent water billing service will be disconnected until balance and penalties are paid. If said property is sold or rented to another tenant, water service will be disconnected and will not be reconnected until all bills are paid in full.

I hereby agree that I am the lawful owner of said property and agree to the above stated terms. I hereby authorize the water and/or sewer billing to be sent to my renter. I understand that the District will charge a deposit for services in my behalf, but this is not a guarantee that all bills will be current if my renter moves. I understand that I am responsible for the payment of any unpaid balances that may be left when the renter moves from my property.
